Description

The Info

Arakion is a group based role-playing dungeon crawler that pays homage to the classics while adding its own style with fresh mechanics. Lead a band of three heroes through a broken land, ripped apart by unknown forces. Explore a beautiful handcrafted world filled with crumbling dungeons, dense forests, ancient temples, and hidden secrets, all while attempting to build a safe-haven from the chaos.

The Story

Play as three adventurers awoken in a world torn by conflict, where the lands and rivers have been ripped from the ground. In midst of this upheaval there is but one desire - finding a place free from the conflict and chaos. In the search for order your heroes must find a way to stop the destruction from happening.

Between your intrepid adventurers and their goal exists a council of immortal beings. They are known as The Ancients. The Ancients wandered Arakion since before written history. Their plan is simple - utter

It's time to begin your story, will you be the worlds salvation or destruction?

The Background

Arakion takes everything that made classic role-playing games like Might & Magic great, then adds an expansive set of new features. Lead your heroes through the breathtaking, desolated world of Arakion. Explore every alcove for the resources you need to customize your adventurers, build your town, and more. Relive the glory days of role-playing games with this one-of-a-kind experience. Arakion is a beautiful world where you will get lost in adventure and exploration.

The creators of Arakion have been inspired by a multitude of games - everything from Dungeon Master to Dark Cloud 2. Our desire is to take everything that makes those games fun and bring it into one amazing package.

Key Features

- ✓ **No leveling up!** Arakion features a fresh take on the Role-Playing genre that focuses on exploration rather than killing everything in sight
- ✓ **Town building:** Build a town that YOU think would best fit this environment. A wide array of options allows you to put the focus where you want, on anything from farming to town defense.
- ✓ **Control your unique party of three heroes:** A wide variety of races, professions, and traits adds great diversity to the way you solve conflicts
- ✓ **Handcrafted beautiful world to explore.** Arakion features a lovingly hand-crafted world of bright skyways and dark dungeons to challenge the craftiest of explorers.
- ✓ **Pets:** Some of Arakion's wildlife is friendly - find and rescue these little critters, then train them and take them back into the field to wipe floor with the bad guys!
- ✓ **Puzzles:** No game in this genre worth its salt would forget to include some intricate puzzles.
- ✓ **Strategic combat:** Quick decisions and deep tactics combine to create a challenging and rewarding combat experience.
- ✓ **Release in Chapters:** The first book of Arakion will consist of five chapters.
- ✓ **Optional Hardcore mode:** Die once and you're dead forever!
- ✓ **Relive the story again** with newly unlocked races and professions!
- ✓ **Full time of day!** Arakion features an hour, day, month, year system with dynamic lighting and aging characters!
